

Xenia Fire Division Promotes Two

Xenia, Ohio, 02/13/15: A Swearing in ceremony was held during the regular meeting of Xenia City Council on Thursday, February 12, 2015 to recognize the promotions of two members of the Xenia Fire Division.

Jeff Bruggeman has been serving the Xenia community over twenty-one years. He began his career as a Firefighter/Paramedic with the City of Xenia on October 13, 1992. After serving eighteen years as a Firefighter/Paramedic, he was promoted to Fire Lieutenant in November 2010. His years of experience with the Fire Division, time as a Lieutenant and leadership qualities prepared him for his recent promotion to Fire Captain.

Michael Staub began his career with the Xenia Fire Division on November 15, 1992 as a Firefighter/Paramedic. Like Captain Bruggeman he has served the Xenia community for over twenty-one years. He has been eager to advance his career and take on the next challenge as a formal leader of the division. With the promotion of Captain Bruggeman, Staub was offered the Fire Lieutenant position.

Chief Riggsby said, "Both gentlemen deserve this opportunity. I'm proud of them for their motivation to advance their career and continue to serve our community."
