Xenia Greene Central Communications Center Celebrates National Public Safety Telecommunicators Week

Xenia, Ohio (April 8, 2016) Xenia Greene Central Communications Centers will celebrate the second full week of April (April 10-16) as National Public Safety Telecommunicators Week.

The week is set aside to honor the men and women who work in Public Safety telecommunications and serve Greene County communities 24 hours a day, 7 days a week, 365 days a year to help, more often than not during the most challenging circumstances in a citizen's life. With compassion and determination, Communications Center personnel respond to emergency calls, dispatch emergency professionals and equipment, and render life-saving assistance to callers.

These men and women are seldom recognized for the heroic jobs they perform day after day. To honor them, The Xenia Greene Central Communications Center will be hosting a number of activities for the dispatchers to participate in during the week-long celebration to show appreciation for their service.
